MA in International Education ***MAIED***

www.horizonsuniversity.org

Master in International Education

The Master in International Education

The MAIED is designed to draw early-to-mid-career professionals with at least one year of relevant experience in traditional and/or international educational field settings. The program will encourage students to show their ability to interact with cultures or groups other than their own and to do quality graduate work in an independent/virtual setting. Strong competence in spoken and written English is highly recommended and proficiency in a language other than English is required.

Duration

1-2 years

Language

English

Studying Options

Online

Career Prospects

Students can pursue careers in higher education, ESL programs, law, international education associations, accreditation agencies, international development or human service agencies, non-governmental organizations, cultural exchange programs.

Admission Requirements

Bachelor's degree or equivalent

Methodology

Courses will focus on the sharing of personal experiences in the field of multicultural education, while developing critical understanding and thinking in the field. The lecture format will be enriched by discussions aiming at developing ideas and ensuring greater awareness and increased knowledge.
